Ko tēnei whenua te whenua tūturu o Ngāti Kearoa Ngāti Tuara - this whenua is of Ngāti Kearoa Ngāti Tuara. Due to it not fulfilling the original intentions when gifted, kei te tika ki te hokinga ki Pūruru Reserve South - It is right to return the whenua to Pūruru Reserve South (Ngāti Kearoa Ngāti Tuara). As a descendant of Kearoa I fully support this haerenga.

Q2. Tēnā koa, whakamāramatia mai he aha ai koe i whakautu pēra ana? Please tell us why

It makes sense that if it was gifted for a purpose, and that purpose is no longer being fulfilled, then it is returned to the owner/family who gave it. So much land in this city was given in good faith and as such, good faith would see it returned.

Q2. Tēnā koa, whakamāramatia mai he aha ai koe i whakautu pēra anaPlease tell us why

Whakahokia te whenua. The intention and purpose of the original gifting is no longer needed and should be returned to the iwi. Those who whakapapa to it deserve to have un disturbed and unrestricted access to their whenua to begin katiaki responsibilities and return it to its original state. Don't think twice. Do what is right.

Q2. Tēnā koa, whakamāramatia mai he aha ai koe i whakautu pēra anaPlease tell us why

I believe that the land should be vested back into Maori Land and I agree with the process, however I believe it should go back to the person who gifted and the family can vest into the marae from there. Or to the Marae Trustees to vest in the name of the gifter of the whenua. Definately agree.

The land is ancestral land and if it is not being used for the purposes of the 'gift' then it should be returned to the owners/ descendants/ Trust of this whenua. The Taharangi Marae Council is more than capable of administering their own affairs- and as said before it was their ancestor's land anyway.

The land was gifted to the council by Patu Ruhi, my father for the purpose of a playing ground. The playground was decommissioned by the Council as Kuirau Park is a short distance away. The land should be returned to the whanau of Patu Ruhi who have formed a Trust made up of Trustees from Tarewa Pounamu Marae (Taharangi Marae) who will use the land for the benefit of the hapu and the community.

Q1. **E tautoko ana koe i tēnei kaupapa? Do you support this proposal?** Āe | Yes

Q2. **Tēnā koa, whakamāramatia mai he aha ai koe i whakautu pēra ana? Please tell us why**

Kia ora, I feel deeply about the importance of honoring the original intentions behind the gifting of Pūruru South Reserve. This land, gifted by Mr. Pat Ruhi of Ngāti Kearoa Ngāti Tūara in 1964, was meant to serve as a reserve and playground for our community. The removal of the playground in 2022, due to safety concerns, has changed the use of this land significantly. Given that the land is no longer being used for its intended purpose, it is only right that it be returned to its rightful owners. The proposal to classify the land as a Māori reservation and vest it in trustees representing the people of Taharangi Marae is a step in the right direction. This would ensure that the land is managed in a way that respects our cultural heritage and serves the needs of our community. I urge the Rotorua Lakes Council to proceed with this proposal and to listen to the feedback from our community. It is crucial that we honor the legacy of Mr. Pat Ruhi and ensure that the land is used in a manner that aligns with the values and traditions of Ngāti Kearoa Ngāti Tūara. Ngā mihi nui, Mena Rangiahua

Because, if it's gifted for an intended purpose and not currently or future use for the intended purpose, it should be given back. Actually, this shouldn't even be a question, why do Maoris have to ask permission for their lands back?? The only reason Pakehas don't, is because they never had any land to start with apart from the small amount they've bought or stolen.

Q2. Tēnā koa, whakamāramatia mai he aha ai koe i whakautu pēra ana? Please tell us why

I unequivocally and unreservedly support the return of this land to mana whenua. There are a number of factors that underpin this opinion, however, the three most important include: 1. The land was gifted for a specific purpose and that purpose is no longer being honored. It should then be returned. 2. This whenua rightfully belongs to mana whenua and should be held in guardianship by mana whenua in perpetuity. 3. Transferring the land to Maori reservation title will protect it for future generations to come. I support the council in its endeavour to honour agreements made with mana whenua and return land to its rightful owner. I also urge the council to consider other parcels of land that may be able to be returned to mana whenua.

I wish to express my support for the Rotorua Lakes Council's proposal to reclassify the land at 35 Tarewa Road, known as Pūruru South Reserve, as a Māori reservation. This decision is justified, given that the land was originally gifted by Mr. Pat Ruhi (Ngāti Kearoa Ngāti Tūara) in 1964 for use as a reserve and playground. The recent removal of the playground due to safety concerns indicates that the land is no longer fulfilling its intended purpose. Additionally, the presence of alternative play areas nearby further underscores the need to repurpose this land for the benefit of the local community and its cultural heritage. Reclassifying the land to a Māori reservation and vesting it in trustees representing Taharangi Marae will ensure that it is managed in accordance with the values and aspirations of the local iwi. This aligns with the principles of stewardship and respect for the history of the land. I encourage the Council to move forward with this proposal and seek further engagement with the community and iwi to honor the original intentions behind the land's gift.

Q2. **Tēnā koa, whakamāramatia mai he aha ai koe i whakautu pēra ana Please tell us why**

Tēnā koe/koutou, may I first ask whether or not the land will be given back in the same state that it was gifted, if not better? Too often are we given back whenua after it has been pillaged and left in horrendous condition where we are having to find and spend time, money and resources on bringing it back to life before we can even start preserving the mauri of it. And can I also ask if there are any other reasons why council is giving it back? Great if not. Yet I am a little skeptical as to why now? Are there things that happen there that council don't want to monitor or maintain? Will it cost te whānau Māori more to have back under these current conditions? Perhaps ensuring that the return out benefits the risk before returning could be helpful. I'll be honest, I know nothing about that particular piece of whenua but I do know that we, as Māori, are often having to fight to clean up the messes that councils and big corporations leave behind and then they come back asking for it again once its cleaned up or we find it's unusable or we decide to do amazing things with it and its then given rules and regulations to restrict what we can or want to do with it. So I think that if council is giving it back, I would encourage the Māori Whānau not to accept it until the old playground is removed and the trees are trimmed back, the fences are fixed and the whenua is cleaned up. This is what we do when we become kaitiaki of whenua and when someone allows us to stay at their whare, we make sure to leave it and the surrounds in a better state than when we arrived. Tis my opinion any way. Kia kaha, kia māia, kia manawanui e te whānau. All the best and I look forward to seeing what happens from here 🤝 mauri ora.

I think it's integral for the RLC to honour the original agreements for the parks and reserves. And now it's not being used for the purpose it's only right that the land is handed back to the original owners who gifted the lands for that purpose.

Q1. **E tautoko ana koe i tēnei kaupapa?Do you support this proposal?** Āe | Yes

Q2. **Tēnā koa, whakamāramatia mai he aha ai koe i whakautu pēra anaPlease tell us why**

I wholeheartedly support the proposal. Ultimately the gift of land is no longer required and it stands to reason that its guardianship should remain at least with tangata whenua. That land provides a connection to place and culture for the iwi of Taharangi marae and its use will be considered according to that connection which cannot be said should it remain in council ownership for the general public. The decisions that trustees make will benefit Māori but what is good for Māori is also good for all our Rotorua citizens.

The whenua was given for a purpose. As it is no longer being utilised in line with that purpose (to a good standard), I support the land being gifted back. My understanding is that whānau of the original land owners are involved in, and supportive of, the request by Taharangi Marae. On this basis I support the proposal.
