Dear Sir

**PURCHASE OF NGATI WHAKAUE TRIBAL LANDS FOR CEMETERY**

Further to my letter of 4 April 2006, Council would like to investigate the option of purchase of land either immediately to the north of the Kauae Cemetery or to the south of Henderson Road between the cemetery and the Council reservoir. In order that we are properly prepared for discussions with Ngati Whakaue Tribal Lands, we would like to commission a registered valuer to complete a valuation of parts of the land. I would anticipate that this valuation will occur some time in the next few weeks. I trust that this will be acceptable.

Yours faithfully
