Subject: Media enquiry

Kia ora Chris,

I hope all is well with you. I am just getting in touch to let you know that we have received a media request from the Rotorua Daily Post asking when Lime will start a trial in Rotorua. I assume this has come from the piece in last week's Council meeting agenda.

Here is our response for your reference:

"We have been talking with the Council about bringing Lime scooters to Rotorua, and we are committed to working together to get the best outcome for the community. We are unable to give an indication of timing at this stage. We are having similar conversations with other councils, including Tauranga."

Let me know if there are any issues asap.

Nga mihi,

Lauren Mentjox
